

REMARKS

Claim 4 has been amended to delete "hydrogen" as one of the definitions of "L", to make the claim consistent with the amendment to Claim 21, from which Claim 4 depends.

In response to a telephoned request from the Examiner, Mr. Datlow, enclosed herewith is a FAXed copy of a corrected DECLARATION in which the parent U.S. applications have been listed in the correct place on the DECLARATION form. The original will be mailed to the Patent and Trademark Office as soon as it is received.

Early favorable action is respectfully requested.

Respectfully submitted,
